Notice of Annual General Meeting

28 May 2021

Dear Shareholder,

1. Introduction

I have pleasure in sending you a formal notice convening the 2021 Annual General Meeting of the Company. The AGM will be held on 24 June 2021 at 11.00 a.m. (BST) at the offices of Fieldfisher, Riverbank House, 2 Swan Lane, London EC4R 3TT. The Notice of Meeting is set out at the end of this Circular. This letter provides an explanation of each resolution to be proposed at the AGM.

In light of the government's ongoing response to the ongoing COVID-19 pandemic, the Company requests all Shareholders to submit their Form of Proxy, Form of Instruction or use the CREST Proxy Voting Service (as applicable) and not to attend the meeting in person. It is intended that only the appointed Chair of the meeting and two other nominated shareholders will attend the meeting by way of a video link, to ensure the meeting is quorate. The Company will continue to monitor the situation and issue any further updates as necessary.

In accordance with the Articles, voting will take place by an oral declaration and, if the Company is of the view that this does not reflect the proxy votes, the Chair will direct voting to be by poll. Shareholders may listen to the formal AGM proceedings by dialing in to +44 (0) 20 3936 2999 pin code 486597 but this will not constitute attendance at the Meeting and Shareholders will not be able to vote by telephone, although they will be able to ask questions on the business of the AGM.

Immediately after the formal business of the meeting, the Company will on the same call give a corporate update presentation which will be made available on the Company's website at www.atalayamining.com and Shareholders will have a further opportunity to ask questions.

Enclosed with this Circular is a Form of Proxy for use by Shareholders or a Form of Instruction for use by Depositary Interest holders. Holders of Depositary Interests in CREST will also be able to transmit voting instructions within CREST. Information on the completion and return of Forms of Proxy, Forms of Instruction and CREST Voting Instructions are set out below and in the notes to the Notice of Meeting.

2. Summary of Resolutions to be Proposed at the AGM

Resolution 1: To receive and consider the financial statements for 2020

The Board asks that Shareholders consider the financial statements of the Company for the year ended 31 December 2020 (the "**Financial Statements**") and the report of the auditors thereon. Copies of the Financial Statements are available on the Company's website at www.atalayamining.com. Copies may also be obtained by Shareholders at any time, either in hard or electronic form, upon written request without charge to the Company Secretary at 121 Prodromou Street, Strovolos 2064 Nicosia, Cyprus or by fax to +357 22421956 or can be found under the Company's corporate profile on SEDAR at www.sedar.com.

Resolutions 2 to 8: Re-election of Directors

The Articles stipulate that at every annual general meeting one third of the directors who are subject to retirement by rotation or, if their number is not three or a multiple of three, the number nearest to, but greater than, one-third shall retire from office. If there is only one director who is subject to retirement by rotation, he shall retire.

Notwithstanding the provisions in the Articles, in order to follow best corporate governance practices in the United Kingdom and Canada, all of the Directors will retire at the AGM and offer themselves for re-election.

Pursuant to the Companies Law, Shareholders must be permitted to vote against any resolution proposed for consideration at a shareholders' meeting. At the Meeting, Shareholders may vote for, against or withhold from voting with respect to each of the following director nominees: Mr. Roger Davey, Mr. Alberto Lavandeira, Mr. Jesus Fernandez, Mr. Hui Liu, Mr. Hussein Barma, Mr. Neil Gregson and Mr. Stephen Scott. If the number of votes against a particular director nominee is greater than the number of votes in favour of such nominee, such director nominee will not be re-elected at the Meeting and will cease to hold office as a director of the Company.

Resolution 9: Re-Appointment of Auditors

The Company proposes to re-appoint Ernst & Young Cyprus Limited as its auditors until the next Annual General Meeting of shareholders at such remuneration to be fixed by the Board of Directors.

Resolution 10: Authority to Grant Awards under the Long Term Incentive Plan

Under Section 60B of the Companies Law, every time a Cypriot public company issues shares for cash, or grants rights to subscribe, it must first offer those shares or rights to shareholders on a pro rata basis. The rights of pre-emption in Section 60B of the Companies Law may be disapplied by a resolution of Shareholders in general meeting. This authority is being obtained in order to give the Company flexibility to grant Awards during the course of the next 12 months should the Directors consider it appropriate to do so.

Shareholders will be asked to consider and, if deemed appropriate, to approve a resolution to authorise the Board to grant future Awards pursuant to the Long Term Incentive Plan including rights to subscribe or issue up to 6,910,573 Ordinary Shares (approximately 5% of the current issued share capital of the Company), as if the rights of pre-emption in Section 60B of the Companies Law did not apply to the grant of such Awards. Shareholders should note that the Board will be restricted under the Long Term Incentive Plan to limiting the grant of Awards to ensure that at any one time the number of Ordinary Shares subject to (i) outstanding rights to subscribe and (ii) shares issued (both pursuant to the Long Term Incentive Plan and under existing arrangements including the Atalaya Mining plc Share Option Plan 2013) shall not exceed 10% of the Company's issued share capital. Further, any Awards that entitle the holder to subscribe for shares will be granted at an exercise price in accordance with the terms of the Long Term Incentive Plan.

The terms of the Long Term Incentive Plan were approved at the annual general meeting of the Company held in 2020 and a copy of the Long Term Incentive Plan is available on the Company's website at www.atalayamining.com.

Resolution 11: Authority to Allot Shares

The Shareholders will be asked to consider and, if deemed advisable, to approve a resolution to authorise the Directors to allot, or grant rights to subscribe for, up to an aggregate of 13,821,146 new Ordinary Shares (representing approximately 10 per cent. of the Company's issued share capital at the date of this Circular) as if the rights of pre-emption in Section 60B of the Companies Law did not apply. In accordance with the terms of Resolution 11 any Ordinary Shares issued, or rights to subscribe for Ordinary Shares granted, pursuant to this authority will be at a price of not less than a 20 per cent. discount to the Market Price of an Ordinary Share on AIM for the ten trading days immediately preceding the issue or the grant and subject to compliance with, and obtaining any requisite approvals required by, the AIM Rules and the rules of the TSX. Such authority, unless previously revoked or renewed, will expire at the annual general meeting of the Company to be held in 2022.

Resolution 12: Capital Reduction

The Company does not have sufficient distributable reserves to enable the Board to recommend the payment of dividends should it be considered desirable to do so in the future. The Board therefore proposes that the Capital Reduction be effected in order to remove the deficit on the Company's profit and loss account. According to the financial statements of the Company for the year ended 31 December 2020, the Company had accumulated losses of €21,861,173.82.

The Capital Reduction is proposed to be effected by cancelling part of the balance standing to the credit of the Share Premium Account. Cancelling € 21,861,173.82 of the amount standing to the credit of the Share Premium Account will, subject to the discharge of any undertakings required by the Court as explained below, be sufficient to eliminate the deficit on the profit and loss account as at 31 December 2020. As a result, any positive distributable reserves generated by the Company after 31 December 2020 would be available for the Board to use for the purposes of paying dividends (should circumstances in the future make it desirable to do so).

It is therefore proposed that € 21,861,173.82 of the amount standing to the credit of the Company's Share Premium Account is cancelled.

In addition to the approval by Shareholders, the Capital Reduction requires the approval of the Court. Accordingly, following the AGM, an application will be made to the Court in order to confirm and approve the Capital Reduction. In providing its approval of the Capital Reduction, the Court is likely to require protection for the creditors (including contingent creditors) of the Company whose debts remain outstanding on the relevant date, except in the case of creditors which have consented to the Capital Reduction.

It is anticipated that the initial directions hearing in relation to the Capital Reduction will take place three weeks after the filing of the relevant court application to the District Court of Nicosia, with the final Court hearing taking place on either on the date of the initial hearing or at a later date, subject to the Court's discretion and availability, and the Capital Reduction becoming effective on the date of registration of the Court Order at the Registrar of Companies in Cyprus. The Board reserves the right to abandon or to discontinue (in whole or in part) the application to the Court in the event that the Board considers that the terms on which the Capital Reduction would be (or would be likely to be) confirmed by the Court would not be in the best interests of the Company and/or its Shareholders as a whole. The Board has undertaken a thorough and extensive review of the Company's liabilities (including contingent liabilities) and considers that the Company will be able to satisfy the Court that, as at the date (if any) on which the Court order relating to the Capital Reduction and the statement of capital in respect of the Capital Reduction have both been registered by the Registrar of Companies in Cyprus and the Capital Reduction will therefore become effective, the Company's creditors will be sufficiently protected.

Directors' Report

This section of the Circular constitutes a written report, pursuant to section 60B(5) of the Companies Law, required to be presented to Shareholders at the Meeting setting out: (a) the reasons for withdrawing the right of pre-emption in relation to each of the allotment of Ordinary Shares generally and the allotment of Ordinary Shares on the exercise of rights to subscribe for shares granted to directors, officers, employees, consultants and advisers of the Group; and (b) the reasons why the Board considers that the proposed issue price is fair and reasonable as far as Shareholders are concerned.

Resolution 10 will authorise the Board to grant Awards to directors, officers, and employees of the Company pursuant to the Long Term Incentive Plan including rights to subscribe or issue up to a maximum of 6,910,573 Ordinary Shares (representing approximately 5% of the current issued share capital of the Company). Any Awards that entitle the holder to subscribe for shares will be granted at an exercise price in accordance with the terms of the Long Term Incentive Plan. The exercise price will be determined by the Board which will have regard to a number of factors including the number of shares over which rights to subscribe for shares are to be granted, the market price of an Ordinary Share at the time of grant, the vesting conditions and the performance conditions that need to be satisfied.

In addition, the Long Term Incentive Plan limits the grant of Awards to ensure that at any one time the number of Ordinary Shares subject to (i) outstanding rights to subscribe and (ii) shares issued (both pursuant to the Long Term Incentive Plan and under existing agreements, including the Atalaya Mining plc Share Option Plan 2013) shall not exceed 10% of the Company's issued share capital.

The terms of the Long Term Incentive Plan were approved at the annual general meeting of the Company held in 2020 and a copy of the Long Term Incentive Plan is available on the Company's website at www.atalayamining.com.

Resolution 11 will authorise the Board to allot or grant rights to subscribe for up to an aggregate of 13,821,146 Ordinary Shares (representing approximately 10% of the current issued share capital of the Company) as if the rights of pre-emption in Section 60(B) of the Companies Law did not apply. Such Ordinary Shares issued, or rights to subscribe for Ordinary Shares granted, pursuant to this authority will be at a price of not less than a 20% discount to the Market Price of an Ordinary Share on AIM for the ten trading days immediately preceding such issue or grant and subject to compliance with, and obtaining any requisite approvals required by, the rules of AIM and the TSX. The Board considers such minimum price to be fair and reasonable as far as Shareholders are concerned.

3. General Information on the Meeting

Voting Requirements

Resolutions 1-9 (inclusive) are being proposed as ordinary resolutions. To be effective, such resolutions must be approved by a simple majority of the votes cast at the Meeting.

With respect to Resolutions 10 and 11, to be effective, they must be approved by either: (i) a simple majority if at least 50% of the issued share capital of the Company is represented at the Meeting; or (ii) in the event that less than 50% of the issued share capital is represented at the Meeting, by a majority of two-thirds of the votes cast.

Resolution 12 is being proposed as a special resolution. To be effective, such resolution must be approved by 75% or more of the votes cast at the Meeting.

Unless the Shareholder has specifically instructed in the enclosed Form of Proxy that the Ordinary Shares represented by such proxy are to be voted against the relevant Resolution, the proxies in favour of a Director will be voted FOR the Resolutions.

Solicitation of Forms of Proxy

The Circular is furnished in connection with the solicitation of proxies by management of the Company for use at the Meeting. It is expected that the solicitation of proxies will be primarily by mail, however, proxies may also be solicited by the officers, directors and employees of the Company by telephone, electronic mail, facsimile or personally. These persons will receive no compensation for such solicitation other than their regular fees or salaries. The cost of soliciting proxies in connection with the Meeting will be borne directly by the Company.

The Board has fixed 5:00 p.m. (Cyprus time) on 19 May 2021 as the record date for the determination of the registered Shareholders entitled to receive notice of the Meeting. The Board has fixed 5:00 p.m. (BST) on 22 June 2021 as the time and date (the "**AGM Record Date**") for the determination of the registered Shareholders entitled to attend and vote at the Meeting. Shareholders who become registered holders of Ordinary Shares after the AGM Record Date and who wish to vote at the Meeting must make arrangements with the person(s) from whom they acquired the shares to direct how such shares are to be voted at the Meeting.

The Board has resolved that, to be valid, duly completed and executed Forms of Proxy must be completed in accordance with the instructions set out in the form and returned as soon as possible to the offices of the Company at 121, Prodromou Street, Office 705 Strovolos 2064, Nicosia, Cyprus so as to be received no later than 11:00 a.m. on 22 June 2021 (BST).

Voting of Proxies

In light of the government's ongoing response to the COVID-19 pandemic, the Company requests all Shareholders to submit their Form of Proxy as soon as possible and not to attend the meeting in person.

The Ordinary Shares represented by the accompanying Form of Proxy (if same is properly executed and is received in accordance with the instructions set forth herein, prior to the time set for the Meeting or any adjournments or postponements thereof), will be voted at the Meeting, and, where a choice is specified in respect of any matter to be acted upon, will be voted or withheld from voting in accordance with the specification made. **In the absence of such specification, proxies in favour of a Director will be voted in favour of all Resolutions set out in the Notice of Meeting. The enclosed Form of Proxy confers**

discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. At the time of printing of this Circular, the Directors know of no such amendments, variations or other matters to come before the Meeting. However, if any other matters that are not now known to management should properly come before the Meeting, the Form of Proxy will be voted on such matters in accordance with the best judgment of the named proxies.

A Shareholder forwarding the enclosed Form of Proxy may indicate the manner in which the appointee is to vote with respect to any specific item by checking the appropriate space and the Ordinary Shares will be voted accordingly. If the Shareholder giving the proxy wishes to confer a discretionary authority with respect to any item of business, then the space opposite the item is to be left blank. The Ordinary Shares represented by the Form of Proxy submitted by a Shareholder will be voted for, against or withheld from voting in accordance with the directions, if any, given in the Form of Proxy on any poll that may be called for.

If a Shareholder wishes to appoint a person, who need not be a Shareholder, to represent him or her at the Meeting, the Shareholder may do so by inserting such person's name in the blank space provided in the enclosed Form of Proxy or by completing another proper form of proxy and, in either case, depositing the completed and executed proxy, however, in view of the current restrictions in place the Company advises Shareholders to appoint the Chair of the meeting as their proxy.

To be valid, a Form of Proxy must be executed by a Shareholder or a Shareholder's attorney duly authorised in writing or, if the shareholder is a body corporate, under its corporate seal or, by a duly authorised officer or attorney.

Revocation of Proxies

A Form of Proxy given pursuant to this solicitation may be revoked at any time prior to its use. A Shareholder who has given a Form of Proxy may revoke it by:

- (a) completing and signing a Form of Proxy bearing a later date and depositing it at the Company's registered office;
- (b) depositing an instrument in writing executed by the Shareholder or by the Shareholder's attorney duly authorised in writing or, if the Shareholder is a body corporate, under its corporate seal or, by a duly authorised officer or attorney at the Company's registered office or at any time up to and including the last Business Day preceding the day of the Meeting or any adjournments or postponements thereof or with the Chair of the Meeting prior to the commencement of the Meeting on the day of the Meeting or any adjournments or postponements thereof; or
- (c) in any other manner permitted by law.

Such instrument will not be effective with respect to any matter on which a vote has already been cast pursuant to such Form of Proxy.

Further Information for North American Shareholders and Holders of Depositary Interests

Voting by Non-Registered Shareholders

Only registered Shareholders or the persons they appoint as their proxies are permitted to vote at the Meeting. Most shareholders are "non-registered" shareholders ("**Non-Registered Shareholders**") because the shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the shares or because they hold Depositary Interests representing the shares. Shares beneficially owned by a Non-Registered Shareholder are registered either: (i) in the name of an intermediary ("**Intermediary**") that the Non-Registered Shareholder deals with in respect of the shares; or (ii) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc. ("**CDS**")) of which the Intermediary is a participant. In accordance with applicable securities law requirements, the Company will have distributed copies of the Notice of Meeting, this Circular, the Form of Proxy, the Voting Instruction Form and the Form of Instruction (as applicable) (collectively, the "**Meeting Materials**") to the clearing agencies and Intermediaries for distribution to Non-Registered Shareholders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Shareholders unless a Non-Registered Shareholder has waived the right to receive them. Intermediaries often use service companies to forward the Meeting Materials to Non-Registered Shareholders.

Generally, Non-Registered Shareholders who have not waived the right to receive Meeting Materials will be given a voting instruction form **which is not signed by the Intermediary** and which, when properly completed and signed by the Non-Registered Shareholder and **returned to the Intermediary or its service company**, will constitute voting instructions (often called a "**Voting Instruction Form**") which the Intermediary must follow. Typically, the Voting Instruction Form will consist of a one page pre-printed form. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (formerly ADP Investor Communications) ("**Broadridge**") in Canada. Broadridge typically prepares a machine-readable Voting Instruction Form, mails those forms to Non-Registered Shareholders and asks Non-Registered Shareholders to return the forms to Broadridge or otherwise communicate voting instructions to Broadridge (by way of the Internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of the shares to be represented at the Meeting. Sometimes, instead of the one page pre-printed form, the Voting Instruction Form will consist of a regular printed proxy form accompanied by a page of instructions which contains a removable label with a bar-code and other information. In order for this form of proxy to validly constitute a Voting Instruction Form, the Non-Registered Shareholder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company. **A Non-Registered Shareholder who receives a Voting Instruction Form cannot use that form to vote his or her shares at the Meeting.**

The purpose of these procedures is to permit Non-Registered Shareholders to direct the voting of the shares they beneficially own. Should a Non-Registered Shareholder who receives one of the above forms wish to vote at the Meeting, or any adjournments or postponements thereof, (or have another person attend and vote on behalf of the Non-Registered Shareholder), the Non-Registered Shareholder should strike out the persons named in the Voting Instruction Form and insert the Non-Registered Shareholder or such other person's name in the blank space provided. **Non-Registered Shareholders should carefully follow the instructions of their Intermediary, including those regarding when and where the Voting Instruction Form is to be delivered.**

A Non-Registered Shareholder may revoke a Voting Instruction Form or a waiver of the right to receive Meeting Materials and to vote which has been given to an Intermediary at any time by written notice to the Intermediary provided that an Intermediary is not required to act on a revocation of a Voting Instruction Form or of a waiver of the right to receive Meeting Materials and to vote which is not received by the Intermediary at least seven days prior to the Meeting.

Voting by Depositary Interest holders

Holders of Depositary Interests should complete the enclosed Form of Instruction in accordance with the instructions printed thereon to direct Computershare Company Nominees Limited as the custodian of their shares how to exercise their votes or (by following the instructions on the Form of Instruction) indicate that they intend to attend the Meeting in person. If a holder of Depositary Interests indicates, in this manner, that they intend to attend the Meeting, Computershare Company Nominees Limited shall issue a letter of representation to the holder of Depositary Interests giving them authorisation to attend the Meeting and vote. If any holder of Depositary Interests attends the Meeting without a letter of representation they will only be allowed to enter the Meeting as a guest and will not be allowed to vote. To be valid, the Form of Instruction must be completed in accordance with the instructions set out in the form and returned as soon as possible to the offices of the Custodian at Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY, England so as to be received no later than 11:00 a.m. (BST) on 18 June 2021. However, please see the note at the beginning of this circular regarding attendance at the Meeting in light of the government's ongoing response to the COVID-19 pandemic.

Holders of Depositary Interests in CREST may also transmit voting instructions by utilising the CREST voting service in accordance with the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider, should refer to their CREST sponsor or voting service provider, who will be able to take appropriate action on their behalf.

In order for instructions made using the CREST voting service to be valid, the appropriate CREST message (a "**CREST Voting Instruction**") must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST Manual (available via www.euroclear.com/CREST).

To be effective, the CREST Voting Instruction must be transmitted so as to be received by the Company's agent (3RA50) no later than 11:00 a.m. (BST) 18 June 2021. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the CREST Voting Instruction by the CREST applications host) from which the Company's agent is able to retrieve the CREST Voting Instruction by enquiry to CREST in the manner prescribed by CREST.

Holders of Depositary Interests in CREST and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the transmission of CREST Voting Instructions. It is the responsibility of the Depositary Interest holder concerned to take (or, if the Depositary Interest holder is a CREST personal member or sponsored member or has appointed a voting service provider, to procure that the CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a CREST Voting Instruction is transmitted by means of the CREST voting service by any particular time. In this connection, Depositary Interest holders and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Voting Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
